Description

VELVET 24 with its classic and at the same time sporty line, characterized by imposing walls and slender superstructure is a motoryacht built in Viareggio by TECNOMAR, a shipyard of well-known traditions. This unit has had only two owners, both of whom have guarded and maintained it in a maniacal manner in recent years. The boat is in absolutely immaculate condition, in fact, both external and in terms of interior decoration. At the stern there is a large tender garage with sundeck above, while at the bow of the crew area there is reserved a cabin with three beds. On the deckhouse there is also a large sunbathing area. The deck is covered in teak while the metallic gray paint of the hull gives an extremely modern and aggressive look. Inside, the very spacious Lounge is located on the deck floor, equipped with

Huge sofas and entertainment area, while below deck we have, at the bow, we have a comfortable separate dining area in total privacy and a very large kitchen, worthy of hulls of more important measures. The layout includes three double cabins with double beds, below deck, the owner's cabin amidships (also equipped with walk-in closets and vanity area) and two twin VIPs with bathrooms also ensuite (all) decorated with mosaic and equipped with bidet. At the bow, under the kitchen/dining area, there is a huge galley room. The décor is fresh and modern, with furniture made of bleached oak and wenge and parquet flooring. The boat has a really wide list of accessories, including: double generator 220v (20Kw), watermaker, SAT TV + TEL connection, Chartplotter, autopilot and Radar Open array, full a / c with "tropical" power, full entertainment system with TV
