fipa Maiora 30 convertible

Description

Maiora 30 Convertible . 30.60 meters long and 7.50 meters wide allow the Maiora 30 Convertible to offer volumes available to the Owner and his impressive guests for a boat of this category. Maiora 30 Convertible falls into the category of CE certified pleasure boats. This superyacht is called "convertible" for the particular conformation of the upper deck, divided into two areas and one of which is closed and fully conditioned, the Sky Lounge, and the other "an plain air" usable in different ways according to the needs of the Owner. The Sky Lounge is characterized by completely collapsible side windows and a retractable aft door, so that you can comfortably transform a closed and reserved space into an open and airy one in direct communication with the outdoor area.

The lounge in the Sky Lounge, of about 50 square meters, is embellished with furnishings selected among the most prestigious Italian furniture brands and completed by wonderful works of art.

The room is easily transformable by bringing to life always different scenarios: it can be used as a perfect cinema room, where you can relax watching a good movie in company or as a splendid terrace overlooking the sea, where you can live moments of relaxation at sunset or extreme freedom overlooking the open sea, but also as a dining room to be enjoyed in total privacy with family and friends. The Maiora 30 Convertible is characterized by comfort and large spaces. Thanks to the side aisles, all guests on board can walk from stern to bow in a fluid and uninterrupted manner, thus giving an unforgettable onboard experience. This is precisely the goal of the famous Italian shipyard: to welcome the wishes and needs of the customer, and then give him and all his guests a
