## Description

The Max 37 is designed for pleasure boating, but which retains the imprint left by the Shipyard's strong fisherman nature.

The clean and slender line, good habitability and performance, is characterized by large, organized and functional outdoor spaces. Inside, there is a large, well-arranged and bright forward cabin, with light oak wood cladding or at the customer's choice.

The Max 37 also has a sofa that converts into two comfortable beds.

Sliding cabin entrance door in European grey plexiglass and stainless steel with lock

C-shaped sofa that can be converted into 2 beds with cushions

Folding table with gas piston - Internal sliding curtains on portholes - Kitchen cabinet with stainless steel sink

Electric hob with 4 burners, glass lid - Under sink with drawer unit and housing for refrigerator and microwave oven - 12 V refrigerator of 85 lt.

Over-sink and corner wall units - Bathroom cabinet with granite countertop, built-in sink and under-sink door

Wall-mounted cabinet with door complete with mirror - Electric vacuum toilet
