ab yachts Ab 110'

Description

Each AB YACHTS boat offers the experience of at least 50 knots of speed with a cruising speed of 46 knots!

Pure adrenaline, incredible acceleration and breathtaking turns. Always safe and glamorous. Sporty temperament,

but also extreme attention to the lifestyle on board. The vibrations have been tested and it is surprisingly quiet.

The only real option for those who want to have the best of the best.

Over 25 meters designed for an owner ready to steer his boat independently, using it as a luxury day-boat or as a cruiser for long cruises. A concentrate of speed,

safety and comfort for those who love the thrill of performance alternating with the pleasure of life on board and

the desire to discover different places with extremely short cruising times.
