## Description

The driving position is designed to facilitate your fishing activities. Three levels, each with a support surface closed by a smoked plexiglass edge, to place everything that must always be available and at hand even if the sea is rough. The configuration also allows you to accommodate the on-board electronics you want and to insert the largest displays on the market. Place for the throttles of the main engines and for the trolling gasoline engine, as well as housing all the controls you need to govern your Tuccoli.

Three seats to suit your fishing and sailing style

Complete the driver's seat with the seat that is most useful to you. You can choose the VM Chair to take advantage of a comfortable bench for 4 adults, with a storage chest of drawers that can be divided into compartments and an insulated fish tank. The Gourmet Chair allows driving with backrests and includes sink and stove to cook a superb dinner with fresh catch. By choosing the Leaning Post you have integrated backrest, storage compartment and worktop, in addition, you can place, as an option, a sliding fridge under the seat to keep food and drinks iced. To toast with partners and friends. And to keep cool everything that needs to remain at a controlled temperature.

Staging and technical:

Water pressure pump, Deck Shower, Courtesy Lights, 2 Automatic Bilge Pump, swimming ladder, Horn, T-Top.
