

SALE NEW

tuccoli marine T370 sparviero

Description

The soul of a cruiser in the hull of a fisherman.

A timeless boat with the unmistakable lines of the American fisherman's sport. Starry bow, V with 18° stern deadrise to allow cruising speeds in excess of 25 knots with a maximum of 34 knots. Low stern and high bow to sail safely even in rough seas, and flared bulwarks that give a wide deck, to have plenty of space to sunbathe or spend time relaxing. Extra-large relaxation area to give everyone the space they need.

5.80 square meters of aft cockpit to accommodate more people and 6.5 square meters of sundeck that can be reached safely thanks to the 27 centimeters width of the gangways and protected by handrails.

Ideal for outings with family or friends, where everyone can benefit from their own personal space and enjoy maximum relaxation on board.

There's room for everyone, guys.

Built according to the rigorous standards of American fisherman, with construction thicknesses exceeding 2 centimeters of solid laminate.

The water lines optimized for the dry and steep waves of the Mediterranean guarantee safety and maximum comfort of navigation on our seas. Because you decide when to go out or when to come back, not the sea.

TUCCOLI T280 OUTBOARD - ALSO AVAILABLE WITH CRUISING CONFIGURATION
