giangrasso G 27

Description

Option A:

An open-space area in the Main Deck, with wide windows flooding pure light. Access to the living

room through sliding glass doors: a retractable TV cabinet on the left side, a comfortable corner

sofa on the right side. This area is all-in-one with the cockpit, to offer the possibility of enjoying the

conviviality of meals while manoeuvring under safety conditions. Then, access to the Lower Deck

through proper staircase, right of the main helm station. A fully equipped galley stands at midship,

joining internally the crew area at far bow, with private bathrooms. The dedicated Owners & Guests

areas towards the stern consist of a VIP cabin, two Guest cabins and the full beam Owners cabin,

completed with a large dressing room and a bathroom equipped with all comforts. Full privacy for

everyone is ensured by the quite unusual dedicated large bathroom to each cabin.

• In the cockpit, a retractable TV cabinet is available for entertainment.
