History

The CAYMAN YACHTS brand was founded in 1990, initially under the aegis of the Mochi brand (with a 30-foot model of which 70 units were sold in the 10 years of production). In 1996, the founder Luigi Prosperi moved the Cayman brand, of which he was the sole owner, to the headquarters in La Spezia and gave impetus to the company Cantieri Navali del Tirreno together with his son Paolo, a nautical engineer.

Models

At the same time, Cayman Yachts launched the Cayman 38 Walk Around model, the first of a long series of successes, which was followed by numerous Fly, Hard Top and Walk Around models from 43 to 58 feet. In 2016, the Cayman Yachts brand was purchased by the Flag Marine group of Rosignano Marittimo (LI).

The Cayman 43 w.a. is a boat with a captivating line, sleek and low on the sea, designed for a high-prestige sailing holiday. Practical and comfortable, it allows you to immediately establish a relationship of great understanding and total safety perceived by both the owner and occasional guests.
