## Description

BOAT IN THE SHIPYARD READY FOR THE SEASON WITH ZINC HULL AND CUTTING ENGINES MADE

Work carried out

2022 : New batteries

2021 : control / maintenance of the electrical system and reconstruction of the stern platform.

2020 : battery charger replacement, anchor winch replacement, new chain , new fenders, replacement of a toilet

2019 : propeller replacement (4) , aft sofa replacement

2017 : engine landing, painting engine room, replacement of engine room tubes

2016 : replacement of internal mattresses, new external cushions, new awnings and camper closing, new external refrigerator, new outdoor kitchen stove, extraordinary maintenance bell and stern feet

Like all boats born from the innovative intuitions of Giuseppe Cimino and built with professional and accurate construction technology by the Conam Shipyard, the Synthesi 40 faithfully reflects the tradition of sports boat, for the line and for the performance of course, but also for the excellent seakeeping in the face of large and livable spaces, both internal and external, designed and finished with extreme ergonomics and rationality.

In 1995, after about thirty happily sailing Synthesi, it was decided to give the boat,
