Description

VENERE 28 FLASH - BOAT -

SOLE OWNER

Works carried out 2024 :

Complete engine service - Blue hull polishing - Generator service - New Varta 100ah batteries - New Victron Bluetooth charger

The Venere Flash model is characterized by dynamic lines and is capable of excellent performance, with exceptional stability in the water. Designed for comfortable cruising, this version offers large and well-livable spaces both outside and inside.

In detail, the helm station, embellished with a mahogany rudder, is well protected from wind and spray thanks to the wraparound windshield, with a stainless steel profile. The pilot's seat, with padding designed to offer a comfortable stand-up drive, houses a piece of furniture in the rear, which lends itself to multiple uses; it also hides a practical kitchen equipped with a stove and a sink.

Thanks to the presence of a comfortable "U" shaped sofa and a table, the aft part is configured as a comfortable convivial area where you can enjoy sailing. The bow area, which is easily located, well protected by a stainless steel handrail, houses the other and comfortable sunbathing area.

From a sliding companionway placed next to the console, you go down below deck. It is welcomed by an environment characterized by fine materials, with
