cantiere carima Goletta princess

190 000 € All Tax Included

Description

The Goletta Princess is a boat built in mahogany and maple cross-planking at the C.A.R.I.M.A. shipyard in Naples in 1979 to a design by the architect M. Simeone.

This 1979 schooner is all made of wood and has a very important construction. Made of Mahogany and Maple Cross Planking. 17.74 m long and 5.10 m wide, with a draught of 2.90 m and a weight of 23 tons, in 1982 she participated in the round-the-world crew.

In the following years, with the change of owners, it has undergone improvements. To date, perfectly restored, it offers comfort and excellent performance both under sail and motor. With its two masts of 21 m and a sail area of over 200 square meters. It achieves excellent sailing performance.

Powered by a 140 HP engine, the Princess Schooner reaches an average speed of 8/9 knots per hour.

Material crossed planking of Mahogany and Maple, - Spider inside on C.C steel rigging, Ordered in Maple oak.

4 cabins, large dinette with charting.

Navigation equipment:

Display, Autopilot (idraulico con timone inox).

Staging and technical:

Engine Alarm, Water pressure pump, Deck Shower, Manual Bilge Pump, Shorepower connector, Water harbor connector system, Electric Windlass, Strand
