

SALE NEW

delta powerboats 26 open

## Description

Performance, ease of handling and high usability with comfortable walk-around decks, an open transom and a range of innovative solutions have made Delta 26 a first choice for both new boaters and experienced yachtsmen. The Ted Mannerfelt design is conceived as a modern, safe and seaworthy express-style pocket cruiser with the flair of a classic runabout. Smallest in the Delta fleet the 26 can serve as either a day cruiser or mega-yacht tender. Her air supported hull is paired with a 220 hp diesel for best-in-class fuel economy or the optional petrol-V8 producing 380 hp and speeds over 50 knots.
