seffa marine Key largo 40 new model

Description

Evolution of the current Key Largo 36, here is the new standard bearer of the range, the new Key Largo 40 by Sessa Marine with the design of Centrosile Design. The new boat stands out for its sporty look and for the luxury materials used in its realization.

The new Key Largo 40 offers a modular cockpit area, with convertible sofas and side balconies with electro-hydraulic movement, which allow you to take advantage of still large and livable spaces, directly in contact with the sea. The large panoramic side windows on the hull allow you to have a beautiful natural light below deck with an enviable view: a real window on the sea. A touch of further aggressiveness to the look is given by the T top sortivo in carbon fiber, lighter and stiffer.
