

SALE NEW

sessa marine C 42 new

Description

Over 50 years of experience enclosed in this innovative Cross Over that will satisfy and reflect the tastes of Mediterranean customers and new overseas markets. Sessa Marine, in fact, thanks to the experience gathered in recent years in Asia and the Americas, presents a flexible product suitable for customers with the most varied needs. It's been 10 years since Sessa Marine designed its first 42 feet, the Oyster 42, allowing it to enter a new market segment and experiment over the years with an increasingly sophisticated product.... C42 is a second generation product born from direct experience on world markets, which manages to combine aesthetics, practicality and flexibility.
