

SALE NEW

sessa marine C 48 new

Description

SESSA continues to renew the Yachts range by launching a 48-foot yacht with a very Mediterranean inspiration. The C46 immediately stood out for its markedly Italian soul characterized by elegance and conviviality, design and sportiness. Today SESSA revisits this model, already awarded "Boat Of the Year" at the London Boat Show 2008, bringing it a hull and superstructure design, a larger cockpit and a multitude of technical upgrades. The large hydraulically controlled aft platform allows an incredibly comfortable setting in the water for "sea toys". The garage accommodates a tender up to 2.85 m long. This leaves the possibility of equipping the C48 with a jet tender.
