sessa marine New key largo 34 fb

Description

The KL 34 reveals in its soft and velvety shapes but, at the same time, decisive and incisive, its nature as a "custom-built car". Equipped with a large bow sundeck, a rigid T-top, a relaxation-cocktail area at the stern with teak kitchen and sink, grill, fridge, ice-maker and splittable table, a side ladder that disappears completely inside the boat and, for the first time on an overboard, the hydraulic gangway, it represents the ideal boat for an owner who loves the sea, of the sun and strong sensations, which does not want to go unnoticed.
