Description

The 37 Fly is the boat of the Portofino Marine line, which is positioned at the maximum length limits of the new boat category thanks to the size of its hull, summing up quality, power, elegance and large spaces. The elegant design, the right proportions and the harmonious line make the Portofino 37 Fly an unmistakable and classy boat but at the same time gritty and sporty thanks to its exciting performance. Safe, comfortable and robust... qualities that will guarantee unforgettable sailings and cruising. The large cockpit, the passage to the bow, the comfortable cushions will make your days at sea pleasant. The barrel made of fine solid teak wood embellishes the profile. The spacious and safe Fly accommodates a sofa that can be used as an additional sundeck, in addition to the rearward helm station that is ideal for manoeuvring in port. The internal subdivision offers a large living room with sofa and table on the right and kitchen equipped with fridge, sink and hob on the left; Beyond the galley, also on the left, is the driver's sofa and the console. In the sleeping area we find the guest cabin, available with two beds on top of each other or side by side, a bathroom with separate shower cubicle and in front the master cabin with a large central bed. The winning spaces, the marine hull, the high performance and the high standard of quality give this boat comfort, safety and elegance. VERY GOOD CONDITION, BARGAIN
