MAREX 330 WINS POWERBOAT OF THE YEAR 2022

Marex received the European Powerboat of the Year 2022 award, which is the boating alternative of the Oscars.

Once again Marex has been chosen to be the best boat in Europe under 40 feet. Marex received the award for its new model: Marex 330.

The new Marex 330 was praised by the foreign press and also won the prestigious BOB Award (Best of Boats) in November 2021 in Berlin.

This is the fourth time it has won the European Motorboat of the Year and is now one of the most awarded boat manufacturers in Europe of all time.

We are proud of our boat builders and suppliers and thank our customers for all the ideas and suggestions that make this possible.
