Description

The Marex 310 is a perfect cockpit cruiser for a regular-sized family. The Marex 310 SC impresses with its enormous space in the cockpit dinette. It has a sleek wraparound cockpit seat that extends from the helm position to the passenger seat with space for ten people around the table. This invites you to more pleasant socializing with friends. Both the port and starboard sides can be used as loungers! Three in total. This will also give you the chance to have more friends and family to sleep on. The whole seating group and the bathing platform have many cabinets. The aft benches that can also serve as a nice seat. A perfect place to relax on sunny days.

You'll find the safe and sociable cockpit protected by two sliding canopies and the world's fastest canopy system. It closes by pulling the canopy out of the vertical side lockers around the cockpit like a tent. This extremely flexible solution allows the canopy to be set up in a matter of seconds. The boat has a two-person helm seat in front of the dashboard and a single seat on the starboard side. That means there's space for three people facing forward, when you're on the go.
