**150 000 € All Tax Included**

## Description

In the natural evolution of the walk-around models, the Cayman 38 represents the entry step to this series of boats. It is twelve meters overall by four meters wide with the inevitable recessed walkway that makes boat movements extremely safe; A classic design line with modern and graceful cuts, without sharp corners, overall harmonious. The interiors, well-kept and made with fine materials, ensure generous volumes: two cabins with their respective bathrooms, a large galley and a dinette in the central cockpit which in the hard top version houses a second galley block. The aft cockpit and the structural swim platform are able to offer space and comfort for all outdoor activities and descent into the water. Navigation is comfortable thanks to a V-shaped hull with a constant angle of 18°, adequate engine and soundproofing of the engine room and exhausts.

GOOD OVERALL CONDITION, + AGENCY FEES. FOR INFO :GIANNI ZENONE +39 348 336 8228
