Description

When Fairline developed its Targa range, the philosophy was to redefine the art of sport cruising. The Fairline Targa 33 is a classy sports boat with very flowing exterior lines. A classic and elegant design that allows a rational use of external and internal spaces, rare on boats of this range (10.00 m). In 2017 engines overhauled and brought to "0" hours (current about 300 hours). DELIVERY AT THE END OF THE 2024 SEASON.
