Description

The Cranchi Zaffiro 34 is a boat built with the intention of blending together an attractive style with chic tips and great functionality in performance.

Unlike other Italian boats, it must be admitted that in addition to a search for style and image, the Zaffiro 34 was produced with the intention of also guaranteeing good speed performance with practical functionality in navigation.

Comfortable lounges both above and below their respective decks. Air conditioning and a generator located aft in the engine compartment. The guest cabin offers a double bed as well as the owner's cabin in the bow. U-shaped sofa, cherry wood table, wet bar. Double cherry wood wardrobes, radio and LED TV with digital terrestrial. Not forgetting the kitchen which is well equipped with 2 gas burners, wall units and storage in cherry wood.

The Cranchi Zaffiro 34 is a boat with a clear Italian cut that meets the classic standards of style and comfort that national production usually guarantees. Unlike other models, it does not skimp on good sailing performance and speed. With a solid and sturdy structure to offer fun to those who love sporty sea life.
