## Description

"This catamaran fits between the indisputable 450 and 52, offering a seductive alternative to sailors looking for a large "marine and modern" owner's boat. The 50, with its visual identity, its type of rig and the hull design offers better performance together with a single line. In fact, the elegance of the 50 seduces for the beveled shape of the hulls, the generosity of the spaces and the panoramic view more than ever enhanced.

Flybridge with two secure accesses and a wheelhouse that offers perfect visibility; Behind it, an immense modular space for relaxation whose lockers, well hidden, are extremely capacious to be able to store the cushions. A cockpit aft open to the sea, spacious and uncluttered transoms for easy access on board and a modular dinette with removable seats to accommodate smaller and larger families."

EXCELLENT GENERAL CONDITIONS, + AGENCY COMMISSIONS.
