Description

The realization of the new catamaran DUFOUR CATAMARANS 44, marks the new era to which our shipyard aims to build catamarans of quality rather than quantity.

Developed in collaboration with the young team of Italian yacht designers, the Skyron studio, the new 44 combines all the features you could wish for in a boat.

Bold and dynamic design of the hulls with modern backward bows, give the feeling of possessing a perfect combination of beauty and practicality. This is the goal, to build catamarans that are practical, spacious but with a sstica research that comes out of the usual schemes. The brand new Dufour Catamarans 44 will mark a new step for the catamaran sector.....
