Description

With four generations of experience and a constant focus on combining tradition and innovation, the Archetti Shipyard is known and appreciated by the most demanding Italian and international customers, those who want craftsmanship. The passion and sensitivity in the construction of wooden boats guarantee a top quality product that is the result of a "love" for things made to perfection. Their peculiarity is in fact that they are built entirely by hand, with the best quality woods for boating. With great passion and tenacious professionalism, the Shipwrights of the Archetti Shipyard have put into their boats the true seafaring and shipbuilding wisdom that has brought Italian pleasure boating to the top of the world. Maximum reliability, excellent performance and minimal maintenance complete a unique product.
