DESCRIPTION:

A high-performance hull, a generous sail plan and practical solutions on deck make this boat a model suitable for both racing and fast cruising. Opinions on the boat are mixed, there are those who define it as almost perfect for racing cruising and those who, on the other hand, accuse it of being unstable and a bit hard at the helm upwind with wind. In any case, sales of the boat went quite well and 550 examples were built. Deck Construction: Hand layering Deck material: balsa sandwich Hull construction: hand layered, hull material: Solid hull and balsa sandwich bulwark
