

SALE PRE OWNED

led Eagle 44

MARINA YACHT SALES

Description

"The seaworthiness, charm, comfort and interior spaces of the LED Eagle 44 respond exactly to what a demanding owner could wish for. All the details on deck and in the cabin have been taken care of down to the smallest detail. The LED Eagle 44 has a double-step hull, which allows it to have less friction on the water resulting in lower fuel consumption and better performance, for a vessel that can install both stern drives and surface transmissions. LED Eagle 44, the eagle has taken flight.

At the bow and stern there are two large sundecks that remain firmly anchored even at high speeds thanks to innovative fastening systems. At the stern there is a huge bathing area, with a large platform and step that, if necessary, serves as a seat and storage compartment for aquatic equipment. The leaving area is very large with a comfortable sofa for five people, a kitchen cabinet with a 130-litre fridge, stove, sink and chopping board, as well as a comfortable removable table.

This extremely large and livable area is made even more comfortable by the telescopic awning (optional)."

VERY GOOD OVERALL CONDITION, + AGENCY FEES. FOR INFORMATION: CALOGERO
