cranchi E 26 classic

148 000 € All Tax Included

Description

There are strong references to tradition, such as the teak foredeck, which evokes the classic heritage of wooden boats and acts as a visual counterpoint to the aft platform also covered in teak. And there is no shortage of innovative and functional solutions. Comfort is ensured starting from the large sundeck at the stern that covers the engine compartment in which there is also a retractable awning that can provide shade to the cockpit if necessary. The dinette amidships is served by an L-shaped seat that gives continuity to the aft sundeck and by two pivoting seats (for pilot on the right and co-pilot on the left) that can face forward during navigation and towards the stern in moments of conviviality.

The sporty character of the E26 Classic is accentuated by the wrap-around, full-beam windscreen that offers protection for the rider and those around him. In the middle of the windshield there is a gap that gives practical access to the foredeck.

Under the same deck there is space for a small cabin and a toilet compartment, to ensure a comfortable stay on board throughout the day and, if desired, even at night.

Staging and technical:

Anchor (ACCIAIO INOX 8KG), Teak Side Decks, Underwater lights, Teak Cockpit, Shorepower connector, Electric Windlass (CON CATENA 30M), swimming ladder, cockpit table, Teak Deckhouse.

Entertainment:
