Description

The Rio 600 Day is an exceptional sport boat that embodies the perfect balance of performance, design and comfort. Ideal for those who love to experience the sea with style and dynamism, this boat is perfect for days full of adventure and fun.

Design & Construction

The Rio 600 Day stands out for its sleek and modern design. The sleek hull line, combined with a clever layout of spaces, offers an unparalleled sailing experience. The build quality is evident in every detail, from the high-quality materials used for the interior and exterior, to the impeccable finish.

Performance and Motorization

Equipped with a powerful and reliable engine, the Rio 600 Day guarantees exceptional performance in all conditions. With an engine that can go up to 150 horsepower, this boat offers fast speeds and smooth sailing, making it perfect for water sports and coastal excursions.

Comfort and Functionality

The interior of the Rio 600 Day is designed to provide maximum comfort. The spaces are optimized to ensure practical and versatile use. The sunbathing area at the bow is perfect for relaxing, while the comfortable aft area with cushioned seating provides a great place to socialize with friends and family.
