

SALE NEW

galeon 425 hts

Description

The 425 HTS follows the express cruiser concept of the Galeon 485 where the main deck is a dry area protected from noise and the elements by a combination of glass doors and windows. This also allows it to adapt to heating and air conditioning, a welcome feature in most climates.

The sleek lines and aggressive profile make it easy to forget the true nature of the yacht, where functionality and comfort will always take precedence. Features such as large side decks for easy access to the bow in all weather conditions or the garage for an inflatable tender are sure to impress future owners.

Attractive and dynamic line. Two cabins and two bathrooms.

Sundeck aft and bow.

Standard engine MERCURY MERCUISER ENGINES 2X6.2 MPI DTS/BRAVO 3 (petrol)

Other possible engines:

VOLVO PENTA 2 X D4-230 DPI
