

SALE NEW

galeon 325 gto

Description

Galeon 325GTO is an incomparable novelty within the Galeon shipyard's offer, which with its length of 9.93 meters allows you not to be enrolled. It is a revolutionary vessel, whose design fits into the global trend of fast and luxurious yachts for cruising fast engines propelled by outboard motors. A notable feature is a wide body bow area, in which the seating area is integrated, with the table, which can be transformed into a sundeck. The upholstery of the sofas and armchairs is richly decorated, it is equipped with armrests and glass holders, It adds elegance and increases comfort. The bow is accessed via the side walkway on the left. In the cockpit, on the port side, there is a large bar cabinet with grill, sink, fridge and large functional storage compartments. The dashboard is equipped with the latest solutions, the joystick with function also as autopilot and electronic positioning. From the wheelhouse it is possible to control not only navigation, but also multi-coloured deck lighting, underwater lights or stereo! The elements that guarantee the comfort and safety of the owner are the Electrically adjustable sports seats and steering column. Thanks to these adjustments, you will find a comfortable position to steer and moor the boat. In the cockpit there is also a lounge area consisting of
