

SALE NEW

galeon 335 hts

Description

The 335 HTS joins the cruiser range of the third-generation Galeon models and further improves on the already impressive performance and handling characteristics of the 325 sports series on which it was based. With updates to the hull design, layout and overall aesthetics, it really deserves to be considered as one of the most important models in the segment.

Consistent with the other models in the range, the 335 HTS offers an unrivalled level of fit and finish, as well as a wide range of available materials and interior designs to choose from.

We accept trade-ins on the purchase of new boats.

We have a showroom where you can display and sell your boat.

For information on the complete range, do not hesitate to contact us at 335304097.

We are exclusive dealers of Galeon for Italy and Grady White for Italy and Southern Europe.
