grady white boats 235 freedom

Description

Loaded with the features of a large boat, the Freedom 235 is the best-built family boat, perfect for both fishing and cruising. The sleek, forward-thinking design is a real head-turner, and when you step on board, the wide range evokes a great boat feeling. An oversized head compartment, a freshwater cockpit shower, and a sturdy aft door that provides access to boarding platforms for swimming or dockside are just additional conveniences not typically found on boats of this size. This 23-foot boat offers an optional wet bar and an electromechanically extendable lounge seat, as well as many other additional amenities, making it one of the best double console boats and a treat for the whole family.

We accept trade-ins on the purchase of new boats.

We have a showroom where you can display and sell your boat.
