grady white boats 218 adventure

Description

Grady-White's all-new Adventure 218, a reimagined version of the original walkaround cab design. The new 218 is sleek and stylish, built on Grady's legacy of superior performance, exceptional quality, boating safety and versatility. Designed for both the devoted angler and families fishing, playing, and overnight, the 218's wider radius offers a more spacious walkaround and cabin. The addition of integrated swim platforms and swivel stern seat backrests provides more space for the angler to battle fish, while also providing easy access for water sports. The curved windshield and distinctive cut line produce an updated profile that adds to the mind-boggling appeal of this boat. Buy your new water camper today: the Adventure 218!
