

SALE NEW

awave rib 48

Description

The maxi-rib has an innovative and distinctive design, large outdoor spaces of the covered deck, a powerful hard-top and large areas of the below deck, finely furnished.

Brilliant performance of this maxi-rib equipped with an sterndrive engine consisting of 2 Volvo Penta engines of 430hp each that allows it to reach a maximum speed of 36 knots. To achieve greater performance you can install 3 outboard engines of 450hp each. The covered deck, with a large total area of sqm. 52, thanks also to its two mobile terraces, comfortably welcomes guests allowing this maxi-rib to be used also as a Party Boat.

On this deck there is a large wheelhouse area with three armchairs, two comfortable sundecks aft and bow, a large and equipped kitchen cabinet, an extendable table with benches and seats that can accommodate up to 10 guests as well as two sofas at the bow.

The deck below deck enjoys large spaces in height; There is a comfortable bow cabin also equipped with two wardrobes, a central dinette area equipped with sofa and service cabinet with ice maker as well as a large cabin amidships equipped with two large beds on the French and comfortable closet containers
