Description

LISTEN TO OUR STAFF ON BOARD, AND WATCH THE ABAYACHTING VIDEO VISIT.

TRIMARAN CORSAIR 880 READY FOR DELIVERY.

The new Corsair 880 is the latest carriageable sport cruiser built by the famous corsair Marine shipyard, which has been building and developing trimarans for more than 30 years. Designed to allow families and groups of up to 8 people to sail for weeks on end. Easy, light and fast, it has incredible sailing performance. Its movable centreboard will allow you to go all the way to the beach!!! Worried about mooring? No problem because the side hulls can be folded down and its width can be reduced to 2.50 m, which makes this fantastic boat also easy to trailer. Eglass laminated vacuum hull with extensive use of carbon fibre. Carbon rotating mast, dyneema sartie, carbon battened mainsail, gennaker and self-tacking jib. All this without forgetting the necessities for comfortable cruising: 2 double cabins, saloon table that can be converted into a single berth, gas cooker, sink, fridge and toilet.

Staging and technical:

Fume/Gas Detector, Water pressure pump, Special Colour (Bianco-Grigia), Deck Shower, Shorepower connector, Rigging in textile (dyneema), 4 Winch, Windex.

Domestic Facilities onboard:

Warm Water System, Waste Water Plant, 12V Outlets, Electric Toilet.

Entertainment:
