Description

Wonderful, extraordinary motorboat completely in mahogany subject to a masterful refitting carried out by expert craftsmen with the use of fine materials, new instrumentation and latest generation technical devices. All the dead work was treated by total removal of the old paint, application of a layer of Cecchi 10/10 epoxy resin, twenty-two coats of Spinnaker gold fashion also Cecchi, two coats of Epifanes UV protective varnish. The living work was painted with a two-component Stoppani paint. Electrical system completely rebuilt with nautical electrical cables. An outboard motor system has been developed using an approved AISI 316 Osculati stainless steel bracket. Mahogany stern platform with teak supports. Original construction trolley renovated and reinforced with iron spar. Hook for dragging. EXTENSIVE PHOTOGRAPHIC DOCUMENTATION ON REQUEST
