sea ray 305 sundancer hard top diesel

89 500 € All Tax Included

Description

Sea Ray 305 Sundancer with Hard-Top and 2 Diesel Machines for sale!

It's amazing how much space the Sea-Ray designers were able to "conjure up" on the 305 Sundancer. The bunk in the salon is certainly only used if four people actually sleep on board – otherwise the midship bunk

absolutely adequate. The feeling of space is pleasant and cozy, not least because it has been possible to keep the salon bright and friendly. Reason enough to be on the ship even in less good weather.

Various useful storage spaces on and below deck, various cup holders, tea in the cockpit, enough cleats, a "decent" anchor harness including the electric windlass.

The equipment of the Sea Ray 305 Sundancer is right. As options, a diesel heater was installed here.

The boat is well equipped and has been used only a little, the operating hours are about 450h.

*we sell this beautiful Sea Ray 305 on behalf of customers. The seller provided us with all the information about the boat.

Navigation equipment:

Plotter with GPS antenna.

Staging and technical:

Engine Alarm, Bilge Alarm, Electric Engine Compartment Opening, Water pressure
