sunseeker Manhattan 73 custom made- 1 890 000 € All Tax Included

Description

This SUNSEEKER MANHATTAN 73 is extensively equipped, plus the MANHATTAN 73 has a huge volume, over 22 meters long. This exciting ship, powered by two MAN 1550 hp engines, with approx. 800 hours, brings you to speeds of up to 30 knots and at the same time offers excellent long-distance suitability at about 10 knots and the shipyard installed Stabi system. The very high quality is evident throughout the interior with the wooden surfaces in walnut satin, luxurious new upholstered furniture and the state-of-the-art entertainment system.

This MANHATTAN 73 has a spacious salon with living and dining area, which was specially designed for the owner, as well as panoramic windows and a spacious cockpit. It also features an expansive sundeck that includes an electric sunroof hardtop surrounded by beautiful removable transparent windows to ensure it can be enjoyed whatever the weather. Open the roof at night and enjoy cocktails under the stars or close the canopy to keep the rain out – you don't have to put the covers back on for hours at the end of the day. The sun deck contains a TV built into the hardtop, a fully stocked bar with fridge, ice maker and grill, and a fantastic Jacuzzi spa; Ideal for the kids and perfect for traveling north.

Accommodation is for up to 10 guests and consists of a full-width master cabin, a VIP guest cabin in front, a twin cabin on starboard, a double cabin on port and a crew or additional guest accommodation aft. The list of options for this Sunseeker MANHATTAN 73 is extensive, including tender, hydraulically lowerable swim platform, stabi system, watermaker, joystick docking station x 3, hydraulic bow and stern thrusters, raymarine navigation, underwater lighting, Wi-Fi, a battery / power management that lets the yacht be out for up to 2 days and
