## Description

The GranTurismo 40 is a reinterpretation of the Sportcruiser concept. This yacht is a harmonious interplay of perfect deck layout and high-quality finishes.

The captivatingly elegant lines of the GranTurismo 40 are reflected in the hardtop with the accentuated side windows, underlining its distinctly sporty character.

The central helm station together with the latest generation Air Step® fuselage ensure that cruising pleasure and safety are not neglected at speeds of up to 38 knots.

The unconventional and spacious cockpit can accommodate up to 11 people. The exterior galley can be set up either in the stern or in the cockpit and adapts to the different life forms on board.

The successful layout of the rooms on the lower deck conveys an incomparable spaciousness. Opposite the spacious saloon is an equipped galley that complements the kitchenette on deck.

The two cabins and the separate wet room make the GranTurismo 40 extremely homely. Matt woods, lacquered furniture, and cream-coloured cushions create an elegant personality.

In its overall design as well as in its details, the GranTurismo 40 spans a wonderful arc between its distinctly sporty character and the functionalities that make life on board simple but luxurious.

*\*we sell this very well maintained Gran Turismo 40 on behalf of our customers!*
