Description

The 2005 Bavaria 35 HT motor yacht is a popular choice among boaters looking for a combination of performance, comfort and value.

Here are some features and specifications:

- 1. Design:** The Bavaria 35 HT (Hardtop) is a model of the German boat builder Bavaria Yachts. The design is typical of modern sports yachts with clean lines and a functional layout.
- 2. Dimensions:** The yacht is about 10.8 meters long and has a width of about 3.6 meters. With a moderate draught, she is well suited for coastal cruises and trips in estuaries, as well as on lakes.
- 3. Hull and superstructure:** The hull of the Bavaria 35 HT is robustly built and provides a stable platform for cruising in various conditions. The hardtop provides protection from the sun and weather and gives the boat a sporty look.
- 4. Motorization:** this Bavaria 35 HT is equipped with 2 diesel engines, which offers good performance and efficiency. the drives were overhauled in 2022 and the machines underwent regular maintenance
- 5. Deck Layout:** The deck layout is well thought out and has ample space for sunbathing, relaxing, and outdoor social activities. The cockpit area is generously designed and offers comfortable seating.
- 6. Interior:** The interior of the Bavaria 35 HT is designed to be comfortable and functional. There is usually a cozy salon area with seating, a kitchenette with cooking facilities, a bathroom and sleeping cabins for overnight stays
