Description

The Capelli Tempest 750 X-TREM is a powerful, lightweight and stylishly designed inflatable boat (RIB) with a number of features that make it an ideal boat for coastal and leisure boating. The deep V-hull and the inverted edges ensure excellent stability and handling even in rough seas. It is powered by a 350 hp outboard engine. The boat consists of a fiberglass hull and Hypalon hoses that provide excellent durability and shock resistance. The boat is also equipped with two large storage compartments, and comfortable standing seats. The Capelli Tempest 750 is a great choice for those looking for a sporty boat with plenty of space for family and friends.

The 750 X-TREM Rib has a new leather interior and various renovations since 2015 and the following years, as well as regular inspection of the machine.

Other equipment: VHF radio, chartplotter, GPS, position lights, compass, anchor, tarpaulins for all seats and helm station, first aid kit, tools for small repairs.
