Description

A Unique and Customized 2018 Dehler 34 – Highest Standards for High-Performance Sailors

The Dehler 34 "Hugo" is more than just a sailing yacht: it is a story of passion, tradition, and innovation brought to life on the waves. Designed to be the perfect balance between performance and comfort, "Hugo" stands out with its unmistakable aesthetics. With its glossy black hull and towering carbon mast reaching for the sky, it is impossible not to be captivated by its elegant presence.

The owner customized every detail to create a truly unique yacht, designed to perfectly suit his needs. It wasn't built for racing, but it still delivers extraordinary emotions on every outing on Lake Garda. "Hugo" combines advanced lightweight materials like carbon with stability and safety, making each sailing experience pure pleasure.

Every time "Hugo" sets sail, you can feel the legacy of the great sailing traditions of the '90s, reinterpreted in a modern way with a personal touch. Sailing with "Hugo" is not just a journey; it's an aesthetic experience and a tribute to the freedom of the sea.

Key Features:

Performance Enhancements:

- Carbon Mast with a long rudder and deep keel for optimal sailing performance.
- Park Avenue Boom for easier sail management.
