Description

BMA X277 is a boat in excellent conditions.

The project, developed in collaboration with the Carlos Vidal Design studio, incorporates all the aesthetic characteristics of the BMA brand with new generation avant-garde lines. Innovation, practicality, space and comfort were the guidelines followed by the designers to create without sacrifices a boat dedicated to conviviality and the pleasure of sailing. Performance is enhanced thanks to powerful and technologically advanced engines that constitute the perfect technical and aesthetic match with the BMA range.
