## Description

Magnum 53, was the first true Open Sport Yacht with deep V hulls.

The living spaces of the cockpit, designed by Katrin Theodoli, take full advantage of the generosity of the surfaces, creating areas with a sophisticated, luxurious and refined design.

Towards the center of the boat, a three-seater sofa serves the wheelhouse, flanked to starboard by an additional sofa, shoulders to the side. Also here, we find access to the below deck where livable and equally "glamorous" interiors come to life.
