Description

Splendid catamaran of the Catana Bali group, one of the largest multihull builders in the world.

One of the most successful models and the only one to maintain the traditional solution of 2 separate dinettes, 1 internal and 1 external but with a large sundeck in the bow.

The half-height wheelhouse allows you to maintain excellent visibility during mooring manoeuvres and at the same time a boom that is easier to access and with more generous mainsail dimensions for excellent sailing performance

Version with Owner hull, entirely dedicated to the owner, with large bathroom, double sink, toilet and large shower cubicle.

All rigging lines and sails replaced in 2024.

Impeccably maintained and well-equipped boat.

Navigation equipment:

On-Board Computer, Display (Raymarine), 2 Plotter with GPS antenna (Oversized, internal and external 7/2021), 2 VHF Radio (External and internal).

Staging and technical:

Anchor (25 kg), Water pressure pump, Battery charger (70 A), Deck Shower, Tender Crane, Gangway (Besenzoni Hydraulics), Shorepower connector, Water harbor connector system (7/21), Electric Windlass (1500 KW), Strand rigging, swimming ladder (7/21), 4 cockpit table (1 indoor, 1 outdoor aft 2 outdoors
