Description

From the experience of the Catana group, a manufacturer of catamarans with great performance, Bali was born, a product that combines sailing performance with the comfort of life on board, becoming in a few years one of the largest catamaran manufacturers in the world.

This splendid 46-foot model has a floor area like a 50/52 feet of a model of other brands.

Thanks to a flybridge much more spacious, corrdeato sunbathing area, wheelhouse and table area with seats for aperitifs and lunches and a bow area dedicated to relaxation with large sun cushions and dining area that enjoys great privacy and connection with the kitchen thanks to a tasting door at the bow.

The dinette is unique to be completely closed and repaired in case of bad weather and to offer comfort like a much grnade catamaran, but it can be easily opened on the tie thanks to a tilting wall and electric control, side verandas and door and windows that can be opened in the bow.

The hulls accommodate 4 double cabins with private bathroom and skipper cabin with private bathroom.

Boat equipped with many options, among which, fridge / freezer 615 lt, 800 lt of drinking water, reversible air conditioning, generator, gas plancha, watermaker and oversized glass hob.
