Contact us to receive technical characteristics and price list!

Navigation equipment:

Display.

Staging and technical:

Batteries (accumulatori al litio ad alta energia 1,8 KWh; 48V; 42Ah), Battery charger (STD 7 h - Ricarica rapida 1,5 h), Trailer, Special Colour.

Accessories notes:

The speed is adjusted by means of the Controlgrip. The considerable thrust between the ratios gives the SEABOB unparalleled dynamics and charm, its hydrodynamic shape gives unexpected agility in the water. Control and immersion take place through the simple displacement of the weight of the body. Glide on the surface of the water, drive sporty or dive. All this becomes possible with the SEABOB. Experience the impressive agility. This new fun in the water will captivate you forever.

Anything is possible. Experience extraordinary agility underwater:
