

SALE PRE OWNED

jeanneau Db 37

Description

Clean and essential lines, strong character, sporty style... The DB/37 certainly does not go unnoticed. If this Day Boat impresses first and foremost with its style, it is with its design that surprises. The deck plan offers a remarkable fluidity of circulation and feeling of space. When cruising, speed, comfort and safety are perfectly combined. Guests take their seats next to the pilot, in front of a large integral windscreen, on comfortable individual seats, sheltered by a fixed sports top or in the sun, in the forward cockpit, accessible via two large and safe gangways. At anchor, the aft cockpit transforms into a huge living area, open to the water and with access to the sea thanks to the fold-down electric terraces that open laterally
