Description

Built by the renowned English shipyard, this boat is in impeccable condition. Featuring a full range of options, it includes a Seakeeper gyro stabilizer, a watermaker, a 13.5 KW generator, a maneuvering joystick, an air conditioning system, as well as a dockmate maneuvering device, ensuring a superior boating experience. Interior and exterior upholstery were redone in 2024.

Caterpillar's powerful 715 hp in-line engines give this boat the ability to reach a top speed of 30 knots, while maintaining a cruise speed of 25 knots with efficient fuel consumption. The scrupulous care and maintenance, highlighted by precise interventions, underline the constant attention of the owner. Engine, generator and seakeeper service carried out in January 2024.

A combination of exceptional performance and luxurious amenities, makes this boat an ideal choice for those looking for a distinctive and uncompromising maritime experience.
